Wedding Guide

Weddings & Events

Time to Celebrate

Kurland offers a beautiful and private setting for unforgettable weddings and special celebrations with family and friends. Set on 700 hectares in the Craggs, just 20 minutes from Plettenberg Bay, the estate features the Homestead, the Villa, and a range of venue options to suit your plans. Surrounded by nature and filled with charming, characterful accommodation, it's a place where lasting memories are made.

Wedding Venues

Say ‘I do’ in style...

Whether you’re planning a small, intimate gathering of up to 30 guests or a bold celebration for as many as 300, Kurland offers the flexibility to make it truly yours. The estate can be booked exclusively, giving you and your guests full access to its grounds, accommodation, and venues.

A Kurland wedding often unfolds over an entire weekend, with each part of the celebration taking place in a different setting—offering variety, flow, and a sense of occasion. A typical format might look like this:

- **The night before:** A relaxed welcome evening at Katarina’s, our cosy, converted barn near the Homestead. Think lamb on the spit, a braai under the stars, or wood-fired pizzas.
- **The wedding day:** A ceremony and reception on the Homestead lawns in a beautifully styled marquee—or at the Villa, either on the veranda with a long banquet-style table, or with a marquee set up on the lawn.
- **The morning after:** A slow, easy brunch around the Homestead pool and courtyard—perhaps with a jazz trio playing mellow tunes as you gather and reminisce.

This flow of events gives your guests a fresh experience at every turn. To make full use of the estate over the weekend, we recommend booking both the Homestead and the Villa—though of course, it’s perfectly fine to book just one venue for your wedding.

The Homestead

Wedding ceremonies can be held almost anywhere in the Homestead gardens. A wedding feast is usually served in the elegant dining room, in the al fresco courtyard or on the Homestead's spacious verandah.

Katarina's - The Barn

This is one of the estate's most beautiful spaces. Rustic, atmospheric décor and a gourmet chef's kitchen make this space perfect for an intimate gathering. The Barn can accommodate up to 150 guests.

The Pavilion

*This is a fairy-tale venue in a majestic setting.
The Pavilion restaurant can cater for up to 60 guests, while
marquees graciously integrated to the main hospitality
areas can be set to accommodate up to 300 guests.*

The Villa

With views of the forest, the Villa offers a beautiful setting for an outdoor ceremony on the front lawn. Drinks are usually served around the pool, followed by dining on the covered veranda. The space is ideal for elegant celebrations for up to 150 people or for more with an added marquee.

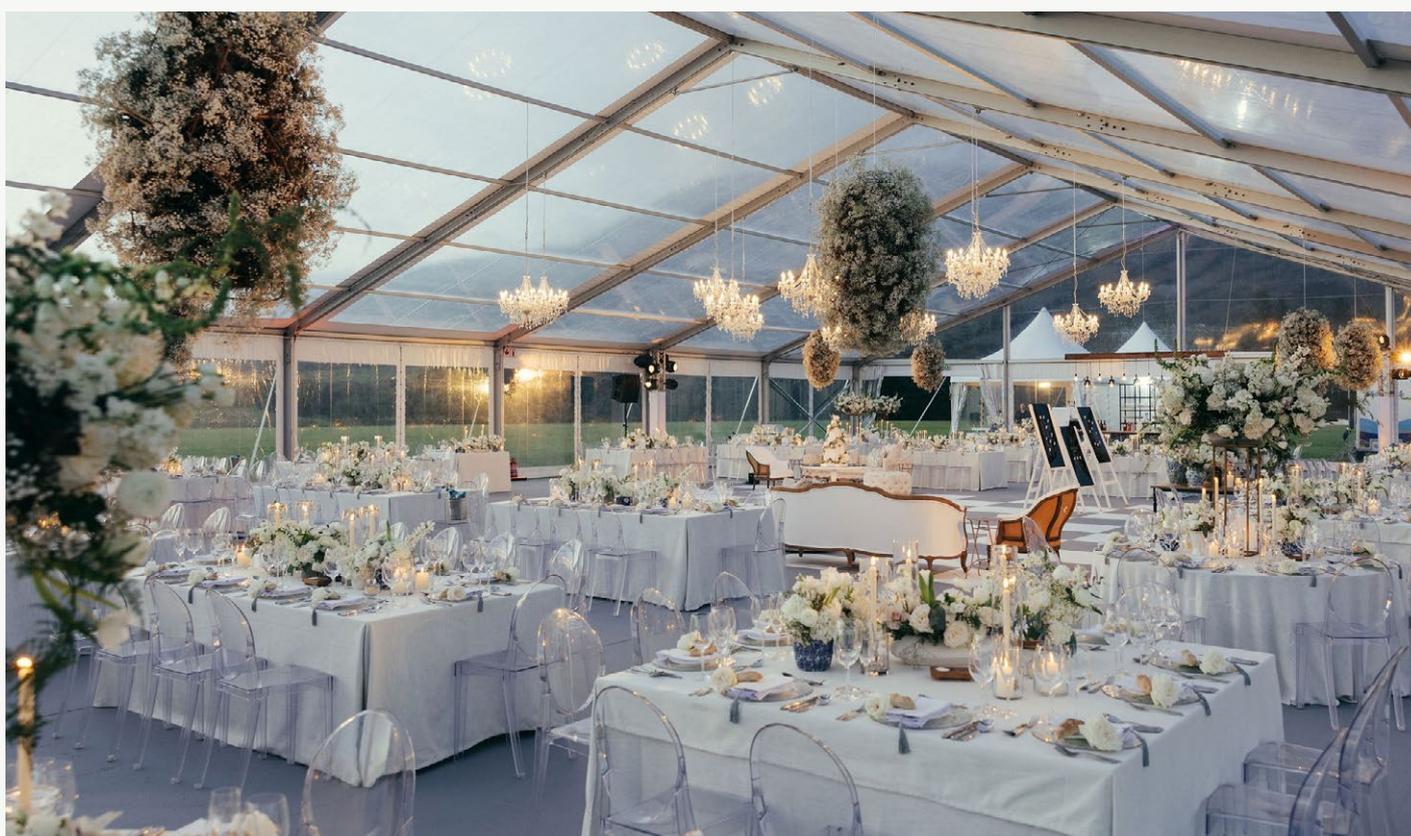

Special Added Touches

Service with Style

We highly recommend working with a professional wedding planner or coordinator to help bring your dream experience to life. Having someone dedicated to the details—timing, logistics, suppliers—makes all the difference in creating a seamless and stress-free celebration.

At Kurland, Dianne offers a full planning and coordination service for an additional fee. With her efficient, hands-on approach and deep knowledge of the estate, she's helped bring countless beautiful weddings to life here. Her sister, Glenda, is a renowned chef who has catered many of these occasions with menus that are as memorable as the setting. Together, they make a truly special team.

Typically, the chosen caterer will also handle the welcome dinner, wedding-day breakfast, and post-wedding brunch, ensuring continuity and ease throughout the weekend. Bar service for all events is provided by the Kurland team.
